Designed to deliver performance
Line Interactive UPS

Microprocessor control Guarantees Reliability
AVR & High low Voltage Protection
Green Concept for Efficient Energy Saving
Built-in DC Start function
Auto Restart Function

CE ✓ **RoHS**

Over the years our brand has become synonymous with two words - Quality and Service. With a Brand as powerful as ours and inherent strength in technology, we have progressed into one of the major supplier of Power Electronic Products. Our State-of-the-art infrastructure and commitment to achieve customer satisfaction ensures that we are always at the cutting edge of the technology as well as manufacturing product that provide value for money for years.

Arrow™ Line interactive UPS Specification

CAPACITY		600 VA, 800 VA, 1000VA, 2000 VA & 3000 VA
INPUT	Input	150 to 300 VAC
OUTPUT	Voltage (on mains)	230 +/- 10%
	Voltage (Batt. Mode)	+/- 8%
	Frequency Regulation (Batt. Mode)	50 Hz +/- 2%
	Output Waveform	Modified Sine Wave
BATTERY	Transfer time	6 to 10 ms
	Recharge Time	6 hours max.
INDICATOR & ALARMS		AC mode, Inverter mode, Battery Low, Over Load
ENVIRONMENT	Humidity	0 to 90% RH @ 0 to 50 C ^o (Non Condensing)
MANAGEMENT (OPTIONAL)	USB / RS- 232 PORT	Power Monitoring for Windows OS

FEATURES :

World Class Construction : a single PCB with snap-on connectors makes it very compact and reliable UPS Systems.

Built-in AVR with high low protection : Automatic voltage regulation provides regulated AC power at all times and wide input range eliminates unnecessary battery drain.

Green Concept : UPS meets the highest standards for energy saving. when in battery mode and the load can hardly be detected. the system will cease releasing power for energy saving.

Cold Start : UPS will start even when mains is absent.

Safety Features : The UPS is equipped to provide protection against short circuit, overload, Battery overcharge and deep discharge.

Certified by EQDC
(Established by Govt of Gujarat
Under STQC Programme)

Other Product line: Online UPS, Home UPS Systems, Stabilizers and entire range of Solar Products
