Over the years brand **Arrow** has become synonymous with two words - Quality and Service. With a Brand as powerful as ours and inherent strength in technology, we have progressed into one of the major supplier of Power Electronics Products. Our State-of-the-art infrastructure and commitment to achieve customer satisfaction ensures that we are always at the cutting edge of the technology as well as manufacturing product that provide value for money for years.

Arrow Line Interactive UPS Specifications

Sr. no.	Parameter	Details
1	UPS rating	600 VA
2	Technology	MOSFET-PWM
3	Interter Efficiency	60% or better
4	Minimum Battery backup	15 Min
5	Warranty for Line interactive UPS	1 year
6	Warranty for battery	1 year
7	Rated Output (Volt) with Total Harmonic Distortion (%)	Single Phase Quasi Sinewave 230 V AC 50 Hz with Total Harmonic Distortion as <=40%
8	Variation in AVR output in AC mode (AVR Voltage regulation)	230 Volts +/-15%
8	Type of battery	Lithium
10	Location of Battery	Inside the Enclosure of UPS
11	Battery capacity (Ah)	12.8V, 6 Ah
12	Type of lab which carried out Test of Complete Product to prove the conformity of product as per specification	Certificate of Govt.Lab/NABL/ILAC accredited for UPS Testing
13	Enclosure	Mild Steel
14	Output power socket	3 socket/4 socket
15	Maximum Retail price (Rs.)	11,500/- + GST

FEATURES :

World Class Construction : A single PCB with snap-on connectors makes it very compact and reliable UPS System.

Built-in AVR with High Low Protection : Automatic voltage regulation provides regulated AC power at all times and wide input range eliminates unnecessary battery drain.

No Load Shutdown (Battery Saver) : UPS meets the Green Concept standard for energy saving. UPS will shutdown itself when utility fails and there is no load connected to UPS. This is to prolong Battery life.

Cold Start : UPS will start even when mains is absent.

Safety Features : The UPS is equipped to provide protection against short circuit, overload, Battery overcharge and deep discharge.

OUR PRODUCT RANGE: LINE INTERACTIVE UPS, ONLINE UPS, HOME UPS SYSTEM, STABILIZER AND BATTERIES.
